Re: ARL Annual Salary Survey 2008-09

We encourage you to report your data promptly so that we have sufficient time to ensure verification and accurate printing of the figures. Please do not hold up your response in the expectation that salaries will be raised later in the year; submit salary figures as of July 1, 2008.

Please note that we are asking you to report salaries for filled positions only. Please make a copy of the final report and retain it for your records.

All questionnaires are to be returned to the ARL Office, Statistics and Measurement Program. Staff members in your library who are collecting data should direct their questions about completing the survey to Martha Kyrillidou (martha@arl.org) or to Les Bland (stats@arl.org).

Thank you for your contribution and continuing support.
